NEW RIVER ENTERTAINMENT is an independent production company specializing in all aspects of TELEVISION, FILM, NEW MEDIA and HOME ENTERTAINMENT. Our goal is to produce high-quality projects that entertain, inspire and inform.

NEW RIVER

ENTERTAINMENT was founded by Chris Nicholas with the passion of bringing great projects to fruition. Nicholas has over 17 years experience in the world of television, film and home entertainment as a writer, producer, editor and award-winning director. Chris is perhaps best described as a professional storyteller. Please consider having New River Entertainment help you with your production.

Chris has worked on many high profile projects over the years. He **DIRECTED** and **PRODUCED** the highly successful documentary, **MARILYN MANSON – DEMYSTIFYING THE DEVIL**, which when released worldwide, debuted on the UK's national home video sales chart at #1.

Nicholas also worked on projects such as **TELEVISION SHOWS** and **DVD EXTRA CONTENT** for such companies as: Microsoft, MGM, Sony, Warner Bros., TLC, ABC Family and Fox Reality among many others.

New River Entertainment has gotten into the world of **NEW MEDIA**. Since every business needs an online presence, let us help your company advertise its brand to a world-wide market like these companies have.

HAVE A *Legacy Video* MADE FOR SOMEONE YOU LOVE!

Documenting life's precious moments, whether a single event or an accumulation of experiences, is an opportunity to build a legacy – *to remember, honor, and cherish* the most meaningful moments in your life and to share them with those closest to you. We document your family history and life memories on a *creative, heartfelt, and everlasting video* that can be shared with generations to come. Sharing your special moments and life story will be the most cherished keepsake you can give your family and friends.
