Why have New River Entertainment create a VIDEO LEGACY for you & your family?

PRESIDENT OF NEW RIVER ENTERTAINMENT,

Chris Nicholas expanded his company to include producing high quality legacy memoir videos after his grandfather passed away. When his mother fell ill he then decided to document the lives of his entire family. His interest then turned into helping others document their lives with their loved ones. We all have a story to tell, and being a part of helping others document their life stories, life celebrations and preserving those memories has now become his passion.

Please visit the website for video examples. We look forward to hearing from you and helping you create something very special for you and your family and future generations to have.

Love Preserved

DIGITAL VIDEO TECHNOLOGY NOW MAKES IT POSSIBLE TO CREATE A LEGACY VIDEO THAT CAN BE HANDED DOWN TO FUTURE GENERATIONS. BECAUSE IT IS DIGITALLY MASTERED, YOUR STORY WILL BE PRESERVED FOR YEARS TO COME WITH NO LOSS IN QUALITY AND WILL TRANSLATE READILY INTO NEW PRESENTATION FORMS AS THE TECHNOLOGY CHANGES.
